STAT FROM :   
Deputy Chief, Benefits and Services Division

SUBJECT : Fitness Room Floor Scrubber

REFERENCE : My Memo to DD/Pers Dated 10 September 1981, Same Subject

1. On 14 September 1981 you approved the referenced memorandum authorizing purchase of a Regina Floor Scrubber for \$54.97 plus tax. Subsequent shopping trips by the Fitness Room Coordinator indicated that the model that could be purchased for \$54.97 is not a heavy duty model as would be required in the Fitness Room and that a heavy duty model scrubber ranges in price from \$87.75 to \$97.95.

2. Therefore, your approval is requested to authorize funds to be utilized up to \$100.00 to purchase a floor scrubber for the Fitness Room.

SUBJECT : Follow-up on Mat Scrubber

I dropped the ball! Our scrubber is a Regina three-speed heavy-duty Model P-794. Price to replace it varies: Evans \$54.00+, Bell \$58.50, BASCO \$61.25.

Perhaps I should check out firms offering H.D. commercial cleaners as opposed to discount outlets.

Alternative is Hoover Floor-a-Matic Model F-5019, cost \$94.97 (BASCO)

Hoover Floor-a-Matic Model F-5091, cost \$87.75 (BELL)

Regina Model 707 Heavy-duty Commercial \$71.97 (BELL)  
(1979 price!)

Montgomery Ward's Heavy Duty Commercial with wet pick-up  
\$97.95 (looks good!)

Thereof

As stated in our telephone conversation this date, the Regina Floor Scrubber has expired. Estimates of the repair cost were from \$58.00 to \$70.00. I priced the identical model at Evans Discount Store. It sells for \$54.97 plus tax. I recommend purchase of that model as we have accessories to fit.
